

Limited Warranty

- Quanshun Communication Technology (QSTX) warrants each new product sold be free from materials or workmanship defects under normal consumer usage for a period of one year beginning on the date of invoice from us.
- This warranty is offered exclusively to the initial consumer purchaser and is not transferable.
- Accessories of products having quality problems, will be sent back to the factory for repair or replacement, depending on whether the warranty is valid to take fees or charges. During the warranty period, factories and customers each bear half of the cost of accessories back and forth.
- All products returned to factory within their warranty period will be examined, tested and analyzed. If the product tests bad, we will repair or replace them. If the product tests good, it will be returned to the customer. The turn around time for testing of products is approximately 48 to 72 hours.
- All replaced parts or products belong to us.
- We does not warrant the products matching following conditions:
 - (1) Consumable parts subject to normal wear and tear.
 - (2) Products that have been modified, altered, or improperly tested.
 - (3) Defects, capacity loss, or damages result from:
 - Improper operation, installation, misuse, and abuse.
 - Improper and inadequate storage.
 - Accident or negligence.
 - Use of products under abnormal or hazardous conditions (Unless products are designed and manufactured to the standard of such usage condition)
 - Contact with liquid, water, rain, extreme humidity and heat or heavy perspiration, sand, dirt, and food (Unless products are designed and manufactured to meet IP Water and Dust Resistant Standard)
- In no event will QSTX be liable to the buyer or its customers for any damages, including any special, incidental, indirect or consequential damages, or the loss of profit, revenue or data arising out of the use of or the inability to use the product.
